All right gang! Here's a sweet deal that just came about from the launch of our "Where to get it cheap!" section of our website.

DIY Surf Gear just set up a special page where for this weekend only, ending 2/22/09 subscribers to the Stand Up Paddle Surfing Magazine newsletter can get an unreal special pricing on Stand Up Paddle Plans.

We've seen the offer and it's awesome. Unfortunately, we can't reveal the details here. The stipulation was that this offer is made only to our newsletter subscribers. Little do they know we've got a smoking subscriber list and everyone's going to get it.

IMPORTANT: YOU MUST BE ON THE LIST TO GET THE OFFER

If you happen to be one of the few who are not on our mailing list, you can subscribe in the upper right hand corner of

this page. It's FREE and you can unsubscribe at any time. Just enter your name and email address and you're in. REMEMBER: After you subscribe to our newsletter, check your email box to confirm your email and get on the list.

"Hey guys, Nate here, editor of the mag. I built my first 100% wood paddle ever using these plans and it was just like they said. It took an afternoon to get the whole thing done. I sealed it overnight and it was water tight. Then, I decided to go and extra step of putting a layer of fiberglass over it. I still use it today."

WHEN WILL I GET THE LINK TO THE OFFER?

Check your email box starting Friday, Saturday and Sunday morning for your special link.
